

# FINDING LATE-NIGHT BITES ON THE STRIP

YOUR POST-CLUB FOURTH MEAL DOESN'T NEED TO BE TACO BELL

## South Strip

Had your fill of Hakkasan or Light and need a night-closing bite? We keep going back to **Citizens Kitchen & Bar**, where there's something for everyone, anytime you want it. A monster stack of pancakes with bananas and brown butter maple syrup? Check. Velveeta-chorizo dip for group snacking? Done. A full-on prime rib dinner? No problem. Whether you keep the party going or shut it down with a serious food binge, this menu is your friend. 24/7, *Mandalay Bay*, 632-9200.
