## Feast For the Everyman

Making cuisine accessible, affordable and top-notch can be a daunting task—unless you're Chef Brian Massie. The Light Group executive chef is breaking barriers once again with **Citizens**, his nod to American comfort food at its best. Here, burgers such as the Fatty Melt (above) play alongside drink infusions such as the Green Machine (refreshingly made with Bombay Sapphire, celery syrup and arugula). Time to get your fix. Open 24 hours. Just inside the parking garage at Mandalay Bay. (702) 632-7200
