Scott's SHOCKING LONDON BREAKDOWN

Anarchy in the U.K.! While Kourtney Kardashian kept him in line during his recent 10 Oak gig in Las Vegas, Scott Disick, 31, has been publicly unraveling during a solo string of U.K. club appearances. In the wee hours of March 5 at Tiger Tiger in London, Scott "showed up late, and then screamed obscenities at the stunned crowd," claims an eyewitness. That came a day after his disastrous meet and greet at The Lowry Hotel in Manchester, where Scott allegedly arrived 50 minutes late, and stayed only 45 minutes, instead of the hour he was contracted for. "He wasn't with it at all. He reeked of alcohol while meeting fans," claims an onlooker. "He was swearing, and there were mostly children there." (Scott insists that isn't true.) And even though Kourtney had ordered him not to drink during the tour, the onlooker alleges, "He even broke a wine fridge, took a wine bottle and started drinking straight from the bottle!"

The PR firm who promoted Scott's failed Manchester meet and greet is now suing him for an estimated \$20,000 in damages.

Adam's Marriage Coaches? BLAKE AND MIRANDA!

"Miranda and Blake give good, sound advice" to Adam, says an insider.

Blake Shelton and Adam Levine love to playfully rip each other to shreds on *The Voice*. But their relationship couldn't be more different behind the scenes, where an insider reveals that Adam, 35, calls Blake, 38, and his wife, Miranda Lambert, 31, for love advice whenever issues pop up in his eight-month marriage to model Behati Prinsloo, 25. "Adam is very jealous and he doesn't like that men hang out at photo shoots and try to pick up models like Behati," explains an insider. "So he wants her to transition from modeling to acting." But Blake put Adam in his place. "He told him that actors are even more worrisome, because they pick up models all the time!" Behati's girls' nights out were another issue for Adam, who "asked Miranda to step in and convince Behati to include him." Miranda's sage advice? "She told Adam he needs to loosen the reins!"
